

Cleaners and Degreasers

Cleaner Spray S

Cleaner and degreaser for all metals, glass, ceramics and many plastics

WEICON Cleaner Spray S removes oily and greasy soiling from all metals as well as from ceramics, glass and most plastics. It can, however, attack the surface of thermoplastics such as PVC, Plexiglas, polystyrene and single layers of paint. WEICON Cleaner S evaporates quickly and, in contrast to conventional thinners, without leaving residues. It can be used for cleaning and degreasing before priming and painting, for cleaning machine parts, or before other WEICON products are applied to surfaces where a greasy underground would impair their effect.

Technische Daten

Odour	Orange
Colour	transparent
Specific properties	evaporates without residues
Silicone-free	yes
Chlorinated	no
AOX-free	yes
Shelf life	24 mon.

Approvals / Guidelines

ISSA Code	53.402.01
-----------	-----------

Processing

Spray in sufficient quantity onto the part to be treated and allow to react. If necessary, wipe off with a clean cloth. Repeat process as required. Avoid contact with plastic and varnished surfaces.

Shelf life

Pressurized container. Protect from direct sunlight and temperatures above +50°C.

Safety and health

When using WEICON products, the physical, safety-related, toxicological and ecological data and regulations in our EC safety data sheets (www.weicon.com) must be observed.

Available sizes

11202500 Cleaner Spray S, 500 ml, transparent
