Visor Cleaner

special cleaner on the basis of highly active organic solvents

WEICON Visor Cleaner is a special cleaner for the cleaning and care of sensitive plastic and glass surfaces. It is antistatic and antireflective, reduces dazzling, and improves sight. It gently removes contamination caused by insects, dirt, dust, grease and nicotine without leaving streaks. WEICON Visor Cleaner can be used on all kinds of visors, on welding face shields, safety goggles, vision protection, safety glass, plastic housings on CNC machines, printers, scanners etc., and on all other plastic and glass surfaces.

Technische Daten

Odour	nearly odourless
Colour	white
Specific properties	Surface-neutral and streak-free cleaning
Silicone-free	yes
ISSA Code	53.402.20
Shelf life	24 mon.

Processing

Shake can before use. Apply Visor Cleaner and allow to take effect for approx. 20 seconds, wipe off, ready. For sensitive surfaces or electrical equipment, spray Visor Cleaner onto a soft, lint-free cloth and clean the surface with light pressure. In case of stubborn soiling, repeat the procedure. Must not get into the interior of electrical appliances. Only clean the units when they are switched off and have cooled down (pull out the mains plug).

Storage

Pressurized container. Protect from direct sunlight and temperatures above +50°C.

Safety and health

When using WEICON products, the physical, safety-related, toxicological and ecological data and regulations in our safety data sheets (www.weicon.com) must be observed.

Available sizes:

11211200 Visor Cleaner, 200 ml, white

The specifications and recommendations given in this technical data sheet must not be seen as guaranteed product characteristics. They are based on our laboratory tests and on practical experience. Since individual application conditions are beyond our knowledge, control and responsibility, this information is provided without any obligation. We do guarantee the continuously high quality of our products. However, own adequate laboratory and practical tests to find out if the product in question meets the requested properties are recommended. A claim cannot be derived from them. The user bears the requested properties are recommended. A claim cannot be derived from them.
