

Cockpit Spray

care product for motor vehicle interiors

WEICON Cockpit Spray is a water-repellent care product for all plastic and rubber parts as well as for varnished wood surfaces in motor vehicle interiors. The permanent, invisible protective film prevents contaminations and creates an easy-care, dust repelling silky shine. Cockpit-Spray refreshes dull and weathered plastic. Rubber does not crack and remains supple and elastic. WEICON Cockpit-Spray eliminates squeaky and creaky noises and maintains dashboards, inside cladding, all plastic and rubber parts, leather, wood, and chromium, and car roofs covered with synthetic leather. It prevents door, window and boot seals from freezing and is used as a lubricant for seatbelts, seat guides, sunroofs, window guides, door locks and wherever greases would cause soilings.

Technische Daten

Odour	citrus
Colour	transparent
Specific properties	dust- and water-repellent, colour-intensifying, silk-matt
Shelf life	24 mon.

Processing

Spray the part to be cleaned generously and allow product to take effect; wipe with a clean cloth, if required. Repeat, if necessary. Protect plastic and varnished surfaces.
